

By following these instructions, you can create a professional and impactful table-top sign to highlight your NJSTART contract effectively!

PURPOSE:

The purpose of this 11 x 17 Table Top Sign is to provide a professional and eye-catching way to showcase your statewide contract's availability on the NJSTART platform during events and conferences.

HOW TO USE:

OPTION 1: PRINT AS IS

The included QR code directs users to the NJSTART homepage at njstart.gov, where they can search for contracts. Simply delete the instructional page from the PDF file and use the existing layout as your print file.

OPTION 2: CUSTOMIZE THE USER EXPERIENCE

Enhance your signage by personalizing the QR code to lead directly to your contract on NJSTART. Follow these steps:

Edit the QR Code:

Open the PDF file in any software that supports PDF editing (e.g., Adobe Acrobat, Canva, or similar tools).

Replace the generic QR code with your customized QR code.

Optional: Feel free to add your contract details or additional branding elements to further customize the sign.

Generate a QR Code:

Please feel free to use a QR Generator of your choice, or visit one of these free QR code generator sites and enter your contract's specific URL:

[QRCode Monkey](#): Create high-resolution QR codes with customizable colors, logos, and designs. Codes have unlimited scans and no expiration.

[Shopify's QR Code Generator](#): Simple tool for generating basic QR codes.

[Bitly](#): Combines QR code generation with link shortening and basic analytics.

[Canva](#): Integrates QR code creation within its design platform, ideal for marketing materials.

[Adobe Express](#): Provides sleek customization for QR codes with professional design options.

Download the QR code as a PNG, JPG, or SVG file.

Update Your PDF:

Insert the new QR code into the file, replacing the original code. Ensure the new QR code is scannable by testing it before finalizing the file.

PRINTING INSTRUCTIONS:

The file is pre-formatted for printing this specific [Table Top Sign through FedEx that comes with proper hardware for display purposes](#). However, please feel free to use a print supplier of your choice should you wish to.

Submit Your Order:

[Upload your finalized PDF file to the FedEx printing platform.](#)

Choose the Table Top Signage format.

Costs:

Printing costs typically start at \$17.99 per sign, which includes the hardware for the table-top display.

Note that all printing and shipping costs are your responsibility.
